The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Building a Diverse STEM Pipeline in fiscal year 2023.

The entity to receive funding for this project is Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS), located at 1754 Technology Dr., Suite 212, San Jose, CA 95110.

The funding would be used to offer students supports such as mentorship, career exposure and soft skills training, networking opportunities, and internships that complement their academic goals and amplify an existing chapter-based network on college campuses to create a pipeline from community college through an advanced degree and into the STEM workforce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ZOE LOFGREN
Member of Congress
