The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Salinas, California project in Fiscal Year 2026. The entity to receive funding for this project is the U.S. Army Corps of Engineers. The funding would be used to improve water and wastewater infrastructure in the City of Salinas, California. The project is an appropriate use of taxpayer funds because it is a congressionally authorized U.S. Army Corps of Engineers Environmental Infrastructure project.

The project has a Federal nexus because the funding provided is for purposes authorized by Sec. 219(f)(450) of the Water Resources Development Act of 1992 (P.L. 102-580), as amended by Sec. 1304 of the Thomas R. Carper Water Resources Development Act of 2024 (P.L. 118-272).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren  
Member of Congress
