Col. Lisa M. Lamb, Garrison Commander
U.S. Army Garrison Ft. Hunter Liggett
Bldg. 238 California Avenue
Fort Hunter Liggett, CA 93928-7000

Dear Col. Lamb:

As the military's premier and largest Total Force Training Center, I am aware of the excellent training opportunities available to all U.S. military components and those of allied nations and your capability for large-scale joint exercises at Ft. Hunter Liggett. I recognize the important role your facility plays in preparing our nation's armed forces for their role in defending the United States.

I am reaching out to you for additional information. I am interested in current needs or deficiencies related to the following:

- 1) The Network Enterprise Center (NEC)
- 2) Cyber Protection for Energy Resilience Infrastructure
- 3) The Defense Community Infrastructure Pilot Program (DCIP)

I look forward to white papers and any additional information in this context that I may review and share with my Congressional colleagues.

Sincerely,

Zoe Lofgren
Member of Congress
