The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Headworks and Influent Pump Station Facilities Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Watsonville located at 250 Main St. Watsonville, CA 95076. The funding would be used to replace and upgrade the city's wastewater treatment facility. The project is an appropriate use of taxpayer funds because it is essential to meet federal and state water quality mandates and replace the existing wastewater infrastructure which is quickly nearing the point of failure.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren
Member of Congress
