Ranking Member Rosa DeLauro
House Committee on Appropriations
Washington, DC 2015

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Indian Health Center of Santa Clara Valley Pediatric Clinic Conversion to a Full Scope Clinic in Fiscal Year 2027. The entity to receive funding for this project is the Indian Health Center of Santa Clara Valley, located at 1333 Meridian Ave, San Jose, CA 95125. The funding would be used to expand the scope of services of its pediatric clinic to include adults. The project is an appropriate use of taxpayer funds because expands access to comprehensive, community-based health care in an underserved area, reduces barriers to care for low-income and uninsured populations, and improves health outcomes through earlier and more consistent treatment..

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
Member of Congress
