Dear Chairman Cole and Ranking Member DeLauro:

As you consider the FY 2026 Transportation, Housing and Urban Development Appropriations Bill, I respectfully request \$950,000 in Community Project Funding for the King City Downtown Streetscape Project. The intended recipient is the City of King, located at 212 S. Vanderhurst Avenue, King City, CA 93930.

This funding will complete the final phase of a multi-year effort to revitalize King City's historic downtown. The project includes landscaping, public art, pedestrian safety improvements, and bike infrastructure. It is shovel-ready, located in a federally designated Opportunity Zone, and supported by strong local investment and community engagement.

The project has a federal nexus because the funding provided is for purposes authorized by e Community Development Fund (CDF): 42 U.S.C. 5305(a)(1), 42 U.S.C. 5305(a)(2), 42 U.S.C. 5305(a)(4), and 42 U.S.C. 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren,  
Member of Congress
